

CERTIFICATION REQUEST - PRODUCER

This form is to be used at any point in the certification cycle to expand the scope of certified crops, products, or livestock on MOSA-certified operations.

Producer name _____ Farm name _____
 Address _____ Telephone _____

Certification is requested for the following additional product(s):

CROPS List the acreage of additional land or crops for which certification is requested. If not on file, submit field maps, 3 Year Field Histories, Current Year Field Plan, seed and input information.

Crop	Number of acres	Projected yield

LIVESTOCK List your request below and submit the following information: IDs of purchased livestock with date(s) of purchase; feed rations; housing, outdoor access and pasture.

Livestock or livestock product	Number of animals

Explain why these products/services were not previously included in your Organic System Plan, and why they are requested for certification now.

I understand that to complete this process, MOSA may require additional written information and/or inspection. Additional fees may apply.

Signed _____ Date _____
